

Prime Medicine Announces Proposed Public Offering of Common Stock

July 30, 2025

CAMBRIDGE, Mass., July 30, 2025 (GLOBE NEWSWIRE) -- Prime Medicine, Inc. (Nasdaq: PRME), a biotechnology company committed to delivering a new class of differentiated one-time curative genetic therapies, today announced that it has commenced an underwritten public offering of shares of its common stock. Prime Medicine also intends to grant the underwriters a 30-day option to purchase up to an additional fifteen percent (15%) of the shares of its common stock offered in the public offering. All of the shares of common stock in the proposed offering are to be sold by Prime Medicine. The proposed offering is subject to market and other conditions, and there can be no assurance as to whether or when the offering may be completed, or as to the actual size or terms of the offering.

TD Cowen and BMO Capital Markets are acting as joint book-running managers for the proposed offering.

The shares of common stock are being offered by Prime Medicine pursuant to an effective shelf registration statement that was previously filed with the U.S. Securities and Exchange Commission (SEC) on November 3, 2023 and declared effective by the SEC on November 13, 2023 (File No. 333-275321). The offering is being made only by means of a written prospectus and prospectus supplement that form a part of the registration statement. A preliminary prospectus supplement relating to and describing the terms of the offering will be filed with the SEC and will be available on the SEC's website at www.sec.gov.

When available, copies of the preliminary prospectus supplement relating to the offering may also be obtained from TD Securities (USA) LLC, 1 Vanderbilt Avenue, New York, New York 10017, by telephone at (855) 495-9846, or by email at TD.ECM_Prospectus@tdsecurities.com; or BMO Capital Markets Corp., Attention: Equity Syndicate Department, 151 West 42nd Street, 32nd Floor, New York, New York 10036, by email at bmo.prospectus@bmo.com.

The final terms of the offering will be disclosed in a final prospectus supplement to be filed with the SEC.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy these securities, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or jurisdiction.

About Prime Medicine

Prime Medicine is a leading biotechnology company dedicated to creating and delivering the next generation of gene editing therapies to patients. The Company is deploying its proprietary Prime Editing platform, a versatile, precise and efficient gene editing technology, to develop a new class of differentiated one-time curative genetic therapies.
